

DURRANT® BIOGRAPHY

Keith K. Kennedy
AIA, NCARB

Managing Principal &
Retail Market Leader

Keith joined Durrant as a Project Manager in the St. Louis office in 2005. His primary responsibilities today include leading the effort of both Mixed-Use and Retail marketing. Prior to joining Durrant, Kennedy worked for the May Department Store Company as a Construction Planner for the Design and Construction Division for 10 years.

During this time, his responsibilities included developing and managing capital budgets in excess of \$80 million annually, selection and management of consultant teams and required entitlement work for assigned projects. Kennedy is the Managing Principal of the St. Louis office, and a registered Architect in Missouri and Nevada.
