

**Frank H. Roberts**

Director of Durrant Justice &  
Board Member

As Director of Justice for Durrant, Frank Roberts is directly involved with virtually all of the firm's projects requiring his expertise in programming and master planning of justice facilities and has over 30 years of experience.

Frank has participated in a wide variety of projects and studies ranging from regional planning to detailed facility design. His background in architecture and planning has been gained through professional experiences in the United States, Europe and Australia. He is familiar with the principles of architecture, urban and regional planning, programming, and educational master planning.

Frank was a founding partner of Roberts/Dinsmore Associates, and served as manager of the firm's Phoenix office. Prior to R/DA, he managed the Phoenix office for Architecture One, where he was responsible for overall management of the Phoenix branch and was responsible for all projects.
