

1.2 MILLION SF MIXED-USE DEVELOPMENT BREAKS GROUND IN ST. CHARLES

Saint Charles, Missouri – Monday, November 17, 2008 The Durrant Group, Inc. celebrated the official groundbreaking for “The Streets of St. Charles,” a 1.2 million square foot mixed-use development. Durrant, the Architect and Engineer of Record, participated in the groundbreaking alongside the developer, Cullinan Properties, Ltd. The ‘new urbanism’ mixed-use development, located just south of I-70 at Fifth Street, will contain 170,000 square feet of retail space, 280,000 square feet of office space, 540 residential units, two hotels and a theatre. Phase I of the development is estimated to be completed in 2010.

Durrant, headquartered in Dubuque, Iowa, celebrates 75 years of design in 2008. With 10 offices nationwide, Durrant is an award-winning, multi-discipline architecture, engineering and construction management firm dedicated to quality design and sustainability. Durrant’s St. Louis office is located in Creve Coeur and specializes in retail and mixed-use developments.
